Request for Action - MOSES Contract

http://moses-ma.org/example_letters.doc

I am your MOSES-DPH Representative on Collective Bargaining. I am asking for your help, NOW.

As you've heard from President Dorant and others, the MOSES Collective Bargaining Team has been meeting with HRD since October, 2007. We have made some progress on language proposals, but no monetary packages have been offered, officially. Unofficially, we have heard that offers made to other unions have been very disappointing. This is a crucial point as we are negotiating a 3 year contract, not just a one year. We need help from you – the members of MOSES, ASAP.

Please go to the web-link above and send the letters to the Governor and Legislators by Oct. 1st. The more members they hear from, the more strength you give the Collective Bargaining Team to acquire a good 3-year contract.

This is important. Please contact me if you are confused on the instructions for your help, or see the September MOSES Monitor. ([www.moses-ma.org/Sep08\[1\].pdf](http://www.moses-ma.org/Sep08[1].pdf))

Thank you,

Jill
